# 10th September 2009

From the Principal Patrick McAuliffe

Hello everyone

Two of our BER (Building the Education Revolution) projects have been approved. The new path to the hall and the installation of electronic whiteboards to the classrooms. The classroom work will take place in October and I am yet to find out when the concreters are available. The rest of the paper work is in Canberra working its way through the system.

The cricket nets are finished and look great. We have also put a submission to the Dept of Transport for an all weather path and bike gate linking the bike cage with the fence on Holm Street. Cross fingers and hope for the best!

Congratulations to our Math Tournament Teams, one team missed out on 3<sup>rd</sup> place by one question. This is a fantastic achievement and indicates how well our kids are learning.

Lost property will be sent to the Life Line bin at the end of term. Make sure you have checked out the lost property bins!!

### REMINDERS

## SCHOOL DISCO

### tomorrow night

Friday 11<sup>th</sup> September 2009

**BOOKLIST FOR 2010 ARE COMING MID TERM 4!**

Parents... please check the lost property - Please come and have a look.

### Chess Tournament

During Term 4 we hold our school chess tournament. All chess players are invited to take part in the competition. Games are played in the library at lunchtime. A draw is published in the library window at the start of each week. Players need to check the draw and ensure they arrive promptly at the start of first break's playtime.

Our competition is a knockout tournament. Once a player loses 2 games of chess, they are knocked out of the tournament. We award the Junior (P-3) and Senior (4-7) Champion with a medallion.

Interested players need to sign up at the library before the end of this term.
